## **Discussion**

- A) McCaslin Interchange/DDI Update** – The Louisville City Council and Superior Town Board discussed the progress of the US 36 reconstruction and the DDI. There was further discussion on the connections to the Davidson Mesa Underpass and Superior's trail connections to the DDI and Marshall Rd.
- B) McCaslin Corridor Small Area Plan Update** – The City Council and Town Board discussed the Small Area Plan on McCaslin, process and timeline.
- C) Library Update** – Discussion occurred on the current statistics at the library as well as ongoing and summer programming. Town Board members also discussed the December 2014 Superior Indoor Facilities Survey results, including resident feedback on indoor amenities, library services and indoor facilities. Some discussion centered on possible new facilities in Superior and how that might affect future library service in Louisville.
- D) Water and Wastewater Systems Integration Update** – The Town Board and City Council conversed about the integration and opportunities to collaborate.
- E) Superior Town Center Status** – Superior staff reviewed the status memo provided in the packet. Discussion occurred on the physical infrastructure and the timeline for buildout.
- F) Phillips 66 Property Update** – No update, property still on the market, nothing to report.
- G) Future Areas of Cooperation/Coordination** – Discussion focused on the current review both communities are beginning for possible expanded or additional recreation facilities. Superior conducted its survey and will discuss with the public possible opportunities for recreation and other indoor/outdoor facilities. Louisville is just starting to consider possible concepts for an expanded Recreation and Senior Center and a possible aquatics facility. Public conversation on recreation facilities is ongoing in both communities with more planned in the fall of 2015
- H) Campus Drive Connection** – The maps provided in the packet were reviewed.
